

STOPPING DRIVERLESS BUSES — COMMUNITY EVENT

We are inviting City Leaders, COTA, & SMART Columbus to come speak with the coalition and the community, answer questions, and give the rationale for implementing a shuttle here in Linden.

Thursday, September 19th
7PM - 9PM @ Travelers' Rest Baptist Church
1533 Cleveland Avenue

People Before Robots is a statewide coalition of riders, workers, unions, faith-based groups, civil rights organizations, and activists working together to ensure that driverless buses are never a threat to the safety of our community.
